

# Bards in the Bog

Welcome Home Brother

If you fall asleep before I do  
I'll shave your head and use super-glue  
To stick that hair wherever I please  
Between your toes, behind your knees.  
I've planned an extension to both of your brows  
So they meet in the middle and take over your nose.  
Let's capture your snoring with my mobile phone  
(I might even save it as a ringtone)  
And upload your clip then set it to music  
Face-book, Twitter, Ebay, You Tube it.  
So welcome home brother, sleep tight, don't fidget.  
I'll soon have revenge for your last little visit.
